Subject: Re: Comm v. [REDACTED]

Good morning all,

The case was continued to Friday because the SJC hasn't rendered a decision on the defendant's appeal regarding the motion to suppress. I should have a decision by Friday and on Friday, I'll be picking a new trial date.

Please let me know if you have any vacations/trainings or other conflicts which would prevent you from being available for trial within the next few weeks.

Thanks,

Michelle

Hello Everyone,

I was contacted by the clerk in the session where this case is scheduled. He told me to put you on call for tomorrow. The defense attorney and I have a legal issue to deal with in the morning and it may delay the start tomorrow or cause us to have a continuance to a future date.

I have all of your cell phone numbers, so I'll be in touch.

Michelle
